### What do these people say about Brett?

*"I have known Brett for a few years now, firstly as a fan of his work, then as a friend. Not only has he provided IMMENSE value to my group, but also to me as person. Simply put, Brett has it together! Great wife, great business, great life—If I am going to take advice from anyone, it's going to be a guy like Brett. Whether it's the way he handles the obstacles that life throws at you, his ability to grow a raving group of fans, or change someone's life—I trust Brett to deliver every time." —Dan Meredith, serial entrepreneur, author, speaker, and glorious leader at Coffee With Dan*

*"Brett is a force of nature who will help you become your greater self and make your greatest contribution." —Alex Charfen, Founder of CHARFEN.*

*"I can't say enough about Brett and this powerful book. If you want to start building momentum that will lead towards noticeable and meaningful change in your life (regardless of your current situation) there's no better read than Right Now! If you're looking for encouraging yet practical advice to help you turn your dreams into a reality then you need to start reading Right Now! . . . Right Now!" —Jill Stanton, Screw the Nine to Five*

# NEW YORK—OCT 18, 2016—Morgan James's new release, Right Now!: Why Not You and Why Not Now?

## **Brett is the author of Right NOW! Why not You... and why not Now!**

Right Now is a comprehensible account about how certain life events can set a greater purpose into motion. Right Now will ignite the spark readers need to exam their current existence and determine if they are truly filling life's possibilities. It not only highlights the realization that time is life, but also helps readers implement change by explaining how they can create their own momentum and take action right away.

Anyone looking to replace the daydream with reality or take their pre-conceived success to a truer level will find the functional pieces to do so in Right Now. With no regard for an individual's status—CEO, custodian, or bar tender—Right Now is the catalyst readers will want to jump start them towards their authentic self.

### **What do these successful people have to say about "Right NOW! Why not you... and why not Now?"**

"WOW!— is is the book that I wish I had ten years ago. is book should be mandatory reading for every college student, freelancer, entrepreneur, or anyone looking for a powerful breakthrough in their life and business. Brett has walked the walk when it comes to realizing that life is not only short but precious, and using every moment to make a difference. is fantastic book can be your transformational manual . . . but only if you read it. RIGHT NOW." —Aaron N. Fletcher, business coach and author of Stand Out: A Simple and Effective Online Marketing Plan for Your Small Business

"When it comes to achievement and success this is a 'street-smart' guide to a bigger, bolder life!" —Mel H Abraham, CPA, CVA, ABV, ASA CSP, #1 best-selling author of The Entrepreneur's Solution, and founder of Thoughtpreneur Academy

"It's a shame how many people fail to IGNITE their Entrepreneurial dreams. is book is the SPARK needed to become an Entrepreneur on FIRE!" —John Lee Dumas of EOFire Podcast.

" This book gets straight to the point and teaches valuable knowledge that everyone should learn, but very few people do. Brett lives this out in his own life and I'm glad he's finally sharing this with others." —Chandler Bolt, Self-PublishingSchool

"If you feel like you're in the hamster wheel of life and have no idea what to do or how to get out, Right Now! is the perfect companion. Brett has succinctly identified the key steps required to shift your mindset, give you focus, and propel you into action RIGHT NOW!" —Michael O'Neal, host of the Solopreneur Hour Podcast

"So many people fail to reach their potential. This book is ideal for anyone who wants to live life at the highest level of greatness. Brett Campbell lives a life of integrity, and he wrote this book to show you how you can do the same. I highly recommend it for anyone who is striving to continuously better themselves." —AJ Mirzad, best-selling author of The Mind Body Solution, Online Super Coach

"If you want to quickly discover the simple secrets to success, you need to read Brett's book. It's packed with actionable, practical steps for determining your vision, creating clear steps to gain momentum, and how to feel absolutely unstoppable as you do it! If you're not where you want to be in life—physically, emotionally or financially—it's very likely because you're not applying the strategies inside Right Now! Why Not You and Why Not Now!" —Justin Devonshire, international speaker, trainer and leading expert for Coaches, Trainers & Consultants

"So many people fail to take action in their lives and therefore live a life of mediocrity. Reading the tips in this book will help anyone overcome that obstacle and succeed." —Josh Felber, JoshFelber.com, two-time best-selling author, Emmy Award-winning executive producer, and serial entrepreneur

"Why not you, and why not now? The first time I heard similar words years ago, they struck a deep cord within me and spurred me to pursue my larger purpose with greater intentionality. However, the gap between 'wanting to' and 'knowing how to' often seemed insurmountable. Brett Campbell's insightful and inspirational book, Right Now! provides a detailed road map for traversing the gap and achieving your dreams. With authentic personal stories and anecdotes, Campbell outlines the journey with remarkable clarity, from discovering your unique purpose to useful insights as to what's holding you back. He reveals practical and actionable steps every one of us can take to go from 'wanting to' to 'knowing how to.'" —Susie Albert Miller, MA, MDiv, speaker and coach, author of Listen, Learn, Love: How to Dramatically Improve Your Relationships in 30 Days or Less!
